

# DONATE SCIENTIFIC LITERATURE ON MAMMALS

*The books, you donate, will be given as gifts to the participants, who present  
the most valuable data on mammals presence and distribution*

at the Ukrainian Mammal Mapping Conference 2019

The data will be used for the first Mammal Atlas of Ukraine and  
for the second Atlas of European Mammals

*You can send the books to Mikhail Rusin, Ukraine on address:*

Schmalhausen Institute of Zoology, National Academy of Sciences of Ukraine, B. Khmel'nitskogo str.,15,  
Kiev, 01030, Ukraine

*You can send the books also to The Habitat Foundation on address:*

*Wildzang 64, Huissen 6852 JR, The Netherlands*

Since mailing outside the EU is more expensive and sometimes uncertain if it will reach the receiver,  
we will discuss and find the best ways to make sure the equipment gets to the place it is meant to go.

*Please, if/when you send materials let us know by email: [info@thehabitatfoundation.org](mailto:info@thehabitatfoundation.org)*

The Ukrainian Mammal Mapping Conference is organised by the Schmalhausen Institute of Zoology  
(National Academy of Sciences of Ukraine), the Kiev Zoo, Ukrainian Biodiversity Information Network.
